NOTES ...

CABbieS,

I hope you all had a wonderful holiday. I'm looking forward to getting a good war game up for Saturday Jan 31st. I can play for the majority of the day and evening. I have good knowledge of Panzer Leader –but tactical level games are not my favorite – and I have an intermediate understanding of The GAMERS SCS system (sort of a Light Operational system with ZOC, supply rules, etc – the rule book is only 5 pages long --- very simple system). I'm up for ANY WWII game ... I'm also teetering on purchasing The GAMERS CASE BLUE massive OCS game ... but ... not just yet Some games I have included: GMT – Invasion: Sicily GMT - Kasserine GMT - Ukraine '43 (never played) Gamers – Stalingrad Pocket II Gamers - Yom Kippur Gamers – Ardennes Gamers – Crusader Gamers – Gazala

What is your favorite WWII game? ... There is time for me to get familiar with it before the 31st ... we can play a few turns of your then maybe one of mine next time. Thanks, Terry Dull [tjdull@columbus.rr.com]
