"Your Transportation to Better Gaming"

Good Games - Good Friends - Good Fun**Ever Wonder Why ???**

Volume 8, Issue 2.2, 2009

Why does CABS have a record level of members??? Why is our Buckeye Game Fest growing??? Why has the Origins Board/War Rooms run by us doubled in size in each of the last three years??? Read this excerpt from a post on the Board Game Geek ... The post was edited a bit as the discussion is ongoing and is about comparing Origins to other cons and I removed any remarks about the others cons.

The (ORIGINS) board game room upstairs was kind of horseshoe shaped about the lending library of games, much better room sizes and layouts, PLUS there is an "overflow" room outside it that actually has large windows on one side, with different sized and shaped tables, etc. But the physical layout isn't the crucial difference. The handful of CABS folks running the board game area is. Imagine the friendliest and most knowledgeable gaming people around, bird dogging everything with a determination to A) find a game you might like if you didn't bring any and B) find other people to play it with you. The CABS enthusiasm is infectious at Origins. Everything is loose and friendly and if you show up knowing no one, with gamer shyness encoded in your DNA, you will be taken care of. Dan S.

WONDER WHY??? THE ANSWER ... Of course—is CABbieS... CABbieS love their games and love sharing them with others. Again, we are gaming thrice a month with the best gamers anywhere and our enthusiasm for gaming is spreading the hobby as well!!!

Keep it up CABbieS!!! See you Friday ... Doors to open at 3pm.
